CANCELLATIONS

Student has right to cancel the enrollment agreement and obtain a FULL refund of charges paid through attendance of the first-class session, or the seventh day after enrollment, whichever is later. Cancellation notices shall be in writing. Withdrawal may be effectuated by the student's written notice or by the student's conduct, including but not necessarily limited to a student's lack of attendance. You are not officially considered a CMS student until you have attended your first scheduled class of instruction. Applicants or students may cancel the Enrollment Agreement as follows:

1. **Admission Rejection.** An applicant rejected for admission is entitled to a refund of all monies paid, including registration fee.
2. **Right to Cancel.** The student has the right to cancel the Enrollment Agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The registration fee in this case is not refundable. "Enrollment" is defined as the date that the Enrollment Agreement is signed by the student.
3. **Written Notice Required.** Cancellation will occur when the student gives written notice of cancellation to the School General Manager or to the School President at the following address:

Chico Massage School Administrative Office @ 811 East 5th Avenue, Chico, Ca 95928.
4. **Written Notice Can Take Any Form.** The written notice of cancellation need not take a particular form, though expressed through writing, is effective if it states that the student no longer wishes to be bound by the Enrollment Agreement. The student has the right to withdraw from a course of instruction at any time. The written notification of withdrawal must be delivered in person or sent by US mail to: President, Chico Massage School, 811 East 5th Avenue, Chico, CA 95928. This notification must have the date and signature of the student as well as the date and signature of the staff upon receiving. The student will not be considered withdrawn without proper notification.
5. **Effective Date of Written Notice.** The cancellation is in writing, and is effective on the date of personal delivery or, if mailed, on the date postmarked. The school shall refund any consideration paid by the student

within forty five (45) days after the school receives notice of cancellation. Any monies due the applicant or student will be refunded within 45 (45) days of the date of cancellation, withdrawal or dismissal including signed document stating withdrawal from Student. The money will be refunded in the form it was received, unless it was cash, as that will be refunded by check.

6. **Return of Equipment.** The equipment (**1-Lotion Holster, 1-Lotion Bottle full with lotion, 1-Bottle hand sanitizer and 1-fingernail care kit**) is owned by the student and will not be returned. The Chromebook is only used in the classroom during class, or scheduled study periods. The student is not permitted to take the Chromebook home.

7. **Return of Textbook.** Chico Massage School owns the text books and allows the students to use them while taking the course. Students are charged a \$100 deposit at the beginning of the semester along with their \$4000.00 (50%) tuition fee, equaling \$4100.00. They may purchase their own copy and, in that case, will own them and would not return them to the school. If the student fails to return a school owned book **within 30 calendar days** of the withdrawal signed statement, they will be charged \$100 for the cost of replacing that book and not receive a refund for their deposit. Their refund will result in the subtraction of that \$100.00 amount.

REFUND & WITHDRAWAL POLICY

REFUNDS

1. **Withdrawal Period.** The student has the right to withdraw from a course of instruction at any time.

2. **State Pro-Rata Refund Policy.** Chico Massage School (“CMS”) uses the state pro-rata refund policy for students who have completed sixty percent (60%) or less of the period of attendance. Refund is Possible Only if Sixty Percent (60%) or Less of Instruction is Completed. In the event of withdrawal or termination, the student has the right to receive refund for the unused portion of the tuition and other refundable charges if the student has completed sixty percent (60%) or less of the instruction. No refund is due if greater than sixty percent (60%) of the program has been attended by the student.

3. **Payment Period Definition.** CMS calculates its refund based upon payment periods. A definition of the payment period at CMS is that programs of five hundred (500) hours or less constitute one payment period.

4. **Student is Responsible for Any Unpaid Balance.** Any unpaid balance that remains after this Refund and Withdrawal Policy has been applied to the state or institutional policy must be paid by the student to the institution or to the lender as applicable.

5. Complaints. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet website: [www. bppe.ca.gov](http://www.bppe.ca.gov).
6. Refund is Due Within Forty-five (45) Days of Notification. Any monies due the applicant or student will be refunded within forty-five (45) days of the date of cancellation, withdrawal or dismissal.
7. Initiation of Withdrawal. A withdrawal is considered to have occurred on the earlier of, a) the date the student officially notifies the School of their intent to withdraw, or b) the point at which the student fails to meet the published attendance policies outlined in the school catalog. The refund computation will be based on the last date of student attendance.
9. Withdrawal Due to Leave of Absence. If students do not return following a leave of absence on the date indicated on the approved written request, refunds will be made within forty-five (45) days from the date the student was scheduled to have returned. For purposes of determining a refund, the last date of attendance is used when a student fails to return from an approved leave of absence.
10. Withdrawal Due to Prolonged Illness or Accident. In cases of prolonged illness or accident, death in the family, or other circumstances that make it impractical to complete the program, the School will make a settlement that is reasonable and fair to both parties.
11. Textbook and Equipment Return / Refund Policy. If the student obtains and returns **unmarked** textbooks, or **unused** equipment within thirty (30) days following the date of the student's cancellation, withdrawal or dismissal, the institution shall refund the charge of the textbooks paid by the student. If the student fails to return unmarked textbooks, or unused equipment within thirty (30) days following the date of the student's cancellation, withdrawal or dismissal, the institution will calculate the refund based on the documented cost of the textbooks, and/or equipment. The student will be liable for the amount, if any, by which the documented cost of the textbooks, or equipment exceeds the refund amount. Equipment which have been used cannot be returned because of health and sanitary reasons.
12. Refund of Non Federal Financial Aid funds Paid. If the student withdrawals from the program and if the student has received federal financial aid funds, the student is entitled to a refund of moneys not paid from financial aid program funds in accordance with State Pro Rata refund policy. **If the student receives Federal Student Financial Aid Funds, the student is entitled to a refund of monies not paid from federal financial aid funds.**

Bureau for Private Postsecondary Education Refund Policy for Diploma Programs

If the student withdraws from a course of instruction after midnight of the seventh business day after the day on which the student attended the first class of the course of instruction, the school will remit a refund, as per the following refund formula. The amount of the refund shall be calculated on a pro-rata basis, less the registration fee, less the STRF fee, and less the cost of any equipment and/or books and supplies the school provided the student which were not returned within forty-five (45) days following the date of the student's cancellation, withdrawal or dismissal. The pro-rata refund formula is as follows:

1. Determine the Program Tuition by subtracting all fees, equipment, books and supplies from the Total Program Cost.
2. Divide the Program Tuition by the Total Hours in Program to arrive at the Program Tuition per Hour.

3. The answer to the calculation in step (2) is the hourly charge for instruction.
4. The Amount Owed by Student for the purposes of calculating a refund is derived by multiplying the Hours of Instruction Attended by Student by the Program Tuition per Hour and adding in any book or equipment charges to arrive at the Tuition Due to School.
5. The Refund Amount Due to Student shall be any amount in excess of the Amount Paid by Student.
 - a.) Total Program Cost – Registration Fee – STRF Fee – Equipment & Books & Supplies = Program Tuition
 - b.) Program Tuition / Total Hours in Program = Program Tuition per Hour
 - c.) Program Tuition per Hour x Hours of Instruction Attended by Student = Tuition Due to School
 - d.) Tuition Due to School + Registration Fee + STRF + Unreturned Equipment & Books & Supplies = Amount Owed by Student
 - e.) Amount Paid by Student – Amount Owed by Student = Refund Amount Due to Student.
- Sample Calculation 1: Assume a five hundred twenty-five (525) hour program costing \$7,875.00 tuition, \$0.00 for registration, \$0.00 for STRF, \$150.00 for equipment and text book deposit, and \$75.00 for the ABMP Exam Coach. The student withdraws after two hundred fifty (250) classroom hours of attendance and does not return \$50.00 of school equipment, but does return the \$100.00 UNMARKED text book. If the student has already paid the school a total amount of \$5,000.00 toward the program of instruction, the refund calculation would be:
 - a. $\$8,100.00 - \$0.00 - \$0.00 (-\$50.00 - \$75.00 - \$100) = \$7,875.00$ Program Tuition
 - b. $\$7,875.00 / 525 = \15.00 Program Tuition per Hour
 - c. $\$15.00 \times 250 = \$3,750.00$ Tuition Due to School
 - d. $\$3,750.00 + \$0.00 + \$0.00 + \$50.00 = \$3,800.00$ Amount Owed by Student
 - e. $\$5,000.00 - \$3,750.00 = \$1,250.00$ Refund Amount Due to Student

CANCELLATION OR TERMINATION AFTER COMPLETING 60% OR MORE OF THE PAYMENT PERIOD WILL RESULT IN NO REFUND.

Sample Calculation 2: Assume the same conditions and numbers as

“Sample Calculation 1” above, but where the student withdraws after three hundred sixty-seven and a half (367.5) hours of attendance, and returns no equipment, books, or supplies. Because the student has already completed seventy percent (70%) of the program ($367.5 / 525 = 70\%$), no refund is due.

***60% is 315 hours**

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

The School Must Collect this Fee from You. As of January 1, 2010, California Education Code Section 94923 requires all private postsecondary schools such as CMS to collect a fee from every new student to be remitted into the California Student Tuition Recovery Fund (STRF).

Amount of Fee. The STRF fee is \$0.00 per \$1,000 dollars of tuition paid, rounded to the nearest \$1,000, collected upon enrollment. You must pay the state-imposed assessment for the STRF if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepays all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third-party.

You are not eligible for protection from the STRF and you are not required to pay the STRF fee if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third-party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

Keep a Copy of Your Agreement. It is important that prospective students keep a copy of any enrollment agreement, contract, or applications to document enrollment: tuition receipts or canceled checks to document the total amount of tuition paid. Such information may substitute a claim for reimbursement from the STRF, which must be filed within one year of the Bureau’s service to the student of their rights under the STRF, or if no notice of rights are reserved to the student, within 4 years of institution’s closure.
